Communique – Grovely State School P&C meeting 10 October 2017

- Leanne Duncan announced that next year Grovely SS will be implementing (SOBS) online booking system to book in parent teacher meetings.
- Cathy Longford has kindly volunteered to be chairperson for the Swim Club Sub Committee and Stuart Lauder graciously put up his hand to be Treasurer for swim club. However unfortunately we have had to put swim club on hold for 2017/2018 season due to the fact we have not been able to secure a Bronze Medallion club member to assist with the required operations of the swim club. Therefore, P and C will continue to source the necessary requirements for successful operations and if deemed triumphant we may be able to run a half season. Currently we are looking for volunteers on selected dates to sell tickets at Arana Leagues Club to fund raise.
- Attendees at tonight's meeting broke out in groups to complete a feedback form for school administration. The following topics were listed: Strengths, Opportunities, Weaknesses and Threats. Should you like to complete this feedback form, please download from the school's website and then submit to office directly.
- The Lifeline bins are becoming a dumping ground and there was discussion regarding rehousing the bins to another area, requesting extra bins or removing the bins completely off the school grounds. Notification of the final decision will be made by the school administration and parents will be notified in the school newsletter.
- It was decided that we would participate in the Oral Care Recycling Program (TerraCycle) fundraising scheme. Should you like more information please visit their website www.terracycle.com.au
