Communique – Grovely State School P&C meeting 11 July 2017

Councillor Matt Constance dropped in to say gday. He has registered a table for trivia and will endeavour to be just smart enough to be a councilor, but not too smart as to be a show off!

He noted road works have begun on the Dawson Parade/Patricks Rd intersection. He also advised that all abilities playground equipment is to be installed at Leslie Patrick Park. It will be part of the larger redevelopment of the park and the community will have the opportunity to input on design throughout the planning process.

LNP Candidate for Ferny Grove, Nick Elston, attended the meeting. He too is a trivia night hopeful. He gave us an overview of his background and invited us to let him know of issues that the LNP should consider in developing election commitments.

Stuart gave the **Treasurer's Report**. The meeting dealt with some clarifications in the minutes of the previous meeting.

Sue Mcivor provided an update with regard to proposed recycling initiatives. Any parent supporters for these initiatives are welcome.

Leanne Duncan gave the Principal's report.

Stuart noted that meetings would take place in the next month for the **Tuckshop Review Subcommittee**. Any parents interested in supporting this work should get in touch with Stuart or Sarah.

Bryony gave an update of **Trivia Night** and details were discussed. P&C is to give consideration to staffing the night and security/alcohol over-consumption management and keep Leanne advised on the latter.

The meeting discussed **fundraising priorities** for the coming period. It was agreed that **upgrading the tuckshop** would be the key priority but that people are welcome to submit ideas for smaller projects.
