| <p>Motion</p> | <p>Government Funding for Chaplaincy Services Motion: The Grovely State School P&C supports the recommendation of the Principal for the school to apply for funding from the National School Chaplaincy Programme for the continuation of a chaplaincy service within the school. Moved: Unanimous support for this motion Seconded: Stuart</p> | |
| <p>Motion</p> | <p>Motion: Hold P&C meetings 2019 each term Week 2 and 8</p> <ul style="list-style-type: none"> • Moved: Sue • Seconded: Charlotte | |
| <p>Other business</p> | <ul style="list-style-type: none"> • Graduation Bears are now for sale through Qkr! or cash at the office. Order forms have been sent home. Sales have already been made. • Potential interest in hosting some P&C meetings in the afternoon. Discussion was had at the last meeting regarding this idea. Possibility of setting up Zoom as a way of being a part of the meeting without physically attending. Difficulties for people who are at work and unable to make it, what to do with students after school? • Kinetekits proposal for teacher presentation https://kinetikits.com.au/ Reusable and can be done in groups. Connected to STEM. Details to Sue for part of Pupil Free Day. • Container Refund Scheme (CRS) Begins on the 1st of November. Bryony will have further talks to find out what it would look like and how it would work Connecting with a local community group and will find out more. • PDF copy of School's volunteer training document. Leanne has sent this to Bryony. • Ice-cream bean tree in school garden has fallen a little bit and has fallen on the fence and possibly needs to be removed. Leanne will talk to Di about getting advice on whether it is safe and what needs to happen. • Cluster network group with local P&C presidents happening in November. • Nut aware school request from a parent. Suggests education in students understanding and students washing hands etc. Leanne will look into it and report back at the next meeting. • Car Park: near the pool where the chain is, parents are parking in the emergency parking area and reversing. Also concerns with people driving around different ways. • Bubblers down at the pool area - we are a low-pressure water school which affects moving ahead at this stage. Teachers will support this with students taking water bottles to swimming. | |
